Note: Because this is the first year of Middleton's transition to Kingswood, bus routes will remain as they are described for the first two weeks of school. Should adjustments become necessary, they will be made after that time. We also ask that students make every effort to be at their bus stop at least 5 minutes before the bus is scheduled at their stop. Please understand the times listed are approximate, and the exact time for every stop is not listed. These times are estimates.
